INFORMATION REPORT

DATE DISTR. 22 September 1950

NO. OF PAGES 1

25X1

25X1 1. [redacted] the Railroad Directorate in

25X1 [redacted] ordered that a tabulation be made [redacted]
25X1 [redacted] of all Russian freight cars with-
in the bounds of the directorate which are now running
on standard gauge axles. [redacted]

25X1

The tabulation was to be broken down according to type and condition, and notation made as to whether they were serviceable or damaged. This information was to be reported by telephone and in writing to the Railroad Directorate in Erfurt. *

25X1 * [] Comment. The same type inventory was ordered in the
25X1 Railroad Directorate of Halle. [] It is be-
lieved an inventory was made throughout the zone.
